UNDER 15s

16-18

Many years ago, an old friend and wise counsel said to me 'show me the person and I will show you the cricketer'. That resonated with me and, in my experience, has proven to be true over the years.

The tour to Sri Lanka is as much about providing young people with the opportunity to grow as human beings as it is about developing their cricketing talent. Visiting a country with such cultural differences, as well as playing the great game on different surfaces and in unfamiliar conditions, provides a wonderful opportunity for those selected for our seventh overseas tour.

Previous tourists have benefited enormously from the experience, and I have little doubt that the 'class of 24' will be no different. My sincere thanks to the sponsors, donors, families and the Somerset staff who have made the tour possible. You are all playing a big part in providing this year's tourists with a very special, lasting and memorable experience.

Enjoy the trip and travel safely.

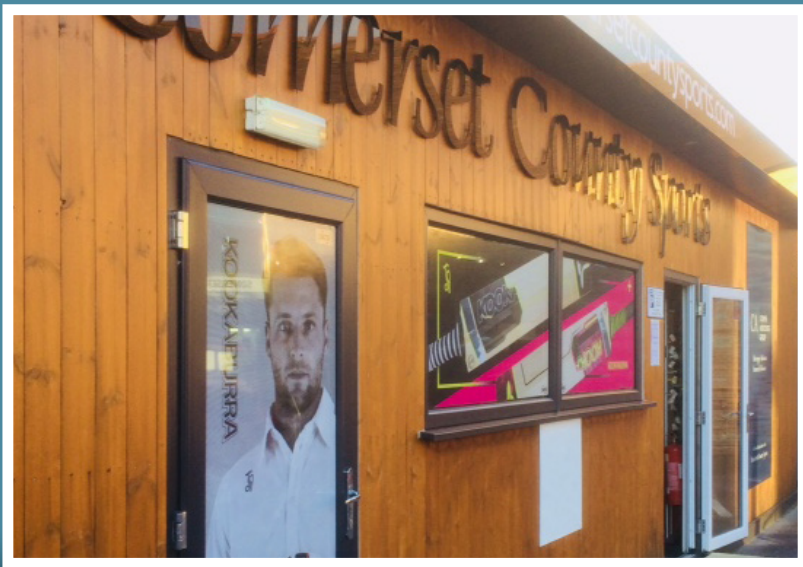

Gordon Hollins
SCCC Chief Executive

SOMERSET

County Sports & Devon County Sports

Somerset County Sports are now the leading cricket equipment specialists in the South West of England, boasting over 20 different cricket ranges from all the leading cricket manufacturers. With expert help and advice for all ages and abilities you'll be sure to leave with the right bat, pads, gloves, etc.

GOOD LUCK MESSAGES

Jason Kerr
SCCC Head Coach

I sincerely hope you have a very rewarding tour to Sri Lanka. Sri Lanka is a truly fantastic place to visit; it will give you a unique opportunity to enhance your cricketing skills and you will experience a love for the game that is unrivalled. I have no doubt that it will be a very positive experience on and off the field.

Overseas tours can be very challenging on the field, however this will give you a great learning experience that will only aid your future development. Make the most of the foreign playing conditions and look forward to the challenge it may present.

Wishing you all the best for the tour.

Andy Hurr
SCCC Director of Cricket

I would like to send my best wishes to the touring party in advance of this really exciting opportunity to experience some unique conditions overseas that will also provide everyone with the chance to have great fun, develop as a cricketer and make some great friends.

Having fun is such a great aspect of playing cricket and the opportunity to gain exposure to foreign playing conditions at this stage of your development will enhance your game beyond belief. It will present an exciting challenge for you, as you work out how your game and method will need to adapt to the pace of the wickets, bounce, spin, the most effective lengths to bowl and finding a way to deal with the heat & humidity.

Enjoy your time in one of the most beautiful countries in the world and enjoy the very special culture. I will follow the tour with interest.

All the very best.

Sir Michael Barber
SCCC Chair

Best of luck to all our young people, girls and boys, U18 as well as U15, on their Tour of Sri Lanka. I am sure it will be a wonderful experience from a cultural as well as a cricket point of view.

Somerset Cricket is not just about winning cricket matches - though we love doing that - it is also about developing skills, building confidence, opening up opportunities, and creating lasting memories among people from a wide range of diverse backgrounds.

I look forward to following the Tour as it happens and hearing all about it when the tourists return!

Sophie Luff
Western Storm Captain

Congratulations to you all for being selected for this tour!

I am sure you are incredibly proud to represent Somerset and you should be even more proud to be able to experience an overseas tour for your county. Sri Lanka is an amazing country. You will learn so much about yourself as a cricketer, experiencing playing in different conditions and against different opposition but most importantly you'll learn so much about yourself as a person. It might challenge you and take you out of your comfort zone at times but those opportunities to grow and develop will hold you in good stead for the 2024 season and beyond. Some of my best memories in the game are overseas tours and sharing those moments with brilliant teammates and I have no doubt that you will create lifelong memories as well.

Enjoy what Sri Lanka has to offer both on and off the field and I wish you all a successful tour.

COACHES AND SUPPORT STAFF

Matt Drakeley
Head of Talent Pathway

Matt will be taking part in his sixth overseas tour with the Somerset Player Pathway this year, albeit with the Academy tour rather than the Pathway tour this year. As part of his role as Head of Talent Pathway at Somerset, Matt provides the strategy for the Somerset Player Pathway as well as delivering across various key age groups, the EPP and the Academy.

As a player, Matt, a wicketkeeper/batsman, represented Dorset at Minor County level and has played Premier League Cricket in both Somerset and Hampshire. In the winter of 2017, he became one of the youngest coaches to complete his ECB Master Coach Level 4 Award.

Matt's desire to add a diversity of opportunities to each player's Programme makes him very understanding of the positives of a trip overseas. "In the past these trips have been excellent to allow players to experience a wide range of different challenges. Players will not only be tested at times by the level of opposition but also by the heat, humidity, their ability to look after their bodies and the way pitches play."

Andrew Griffiths
Head of Pathway Coaching

After starting as the Club's Performance Analyst in 2016, Andrew has held numerous positions across Pathway and Professional environments with Somerset.

Following an interim period as the Club's Bowling Coach last summer, Andrew has returned to the Pathway as Head of Pathway Coaching, a role responsible for overseeing player and coach development throughout the Programme.

Alongside this role, Andrew coaches the bowlers on the Emerging Player and Academy Programmes and overseas the Youth Development Phase (U13-U15) of the Boys Pathway.

Having previously been on three tours of Sri Lanka with Somerset U15 Boys squads, Andrew is looking forward to supporting the development of another group of young cricketers in unfamiliar conditions and experiencing the country's vibrant culture once again.

Andy Payne
Pathway Coach & Analyst

Andy has worked across Somerset Pathway for the last 6 years. His current role is Pathway Coach and Analyst. This means that on match days he will often record video and code Pathway matches which will support the players when reflecting on their performances.

For the past three years he has also worked with Western Storm as an Analyst and Assistant Coach.

As a coach, Andy works across all ages in the Pathway and oversees the Boys Foundation Phase (U10s-U12s), as well as working with the EPP and Academy cricketers.

Andy is really looking forward to what will be his fourth trip to Sri Lanka having previously been on the Somerset Pathway tours in 2019, 2022 & 2023. "We're very lucky to have so many talented young cricketers in our Pathway and tours like this one to Sri Lanka are hugely beneficial for our players to continue with their development on and off the field."

Kieran Peters
Pathway Coach and Women & Girls Lead

Having started full time with Somerset eighteen months ago, Kieran is the first Somerset Pathway Coach to have a full-time role with a primary focus of developing the Women & Girls Pathway. Kieran delivered as a casual coach for three years on both the boys and the girls Pathway before he started full time.

This will be Kieran's first tour with Somerset Pathway and he is really looking forward to the trip. "The chance to train and play in a different country is a fantastic experience and will provide lots of good development opportunities for players as well as being challenged in a different climate. It will also be great to experience a different culture."

Kieran also wants to extend his thanks to the coaches who will be joining us on this tour. "For Sam Braid and Tilly Bond this will be their first tour as coaches with the Pathway. The trip will also provide lots of good development opportunities for them. Dave Roberts will also be part of the coaching team for the trip and he has been lucky enough to tour Sri Lanka before as a coach. It will be valuable to have his experience."

**SOMERSET CRICKET
FOUNDATION**

The Somerset Cricket Foundation has continued to strive and ambitiously deliver high quality programmes and initiatives that support our communities to engage with cricket in many different ways. Our focus has remained consistent; to support the network of clubs across Somerset with both developmental and playing opportunities, to inspire young people by accessing and experiencing cricket through schools, deliver vibrant and varied community programmes focusing on disability, mental health and well-being, working with underrepresented groups, whilst always striving to ensure the game is safer with a clear focus on Safeguarding.

The Foundation is extremely fortunate to have a team of Development Staff that are both experienced and passionate in all our areas. Somerset is viewed as a Foundation that is well respected by our national partners, namely the ECB, Chance to Shine and the Lords Taverners. Becoming a trusted partner comes from consistency, reliability and strong delivery outcomes. We are also extremely fortunate to work with a number of local partners that support our vision.

There have been so many highlights throughout the year from across our programmes, too many to capture in this short overview, however a few that highlight our purpose:

Our Women's & Girls programmes continue to thrive. Five Girls hubs were established across the County for young female players to access free hardball coaching. This great initiative is supported by The Clowance Trust and has seen over 75 players accessing additional cricket. Furthermore, in the Women's game, the introduction of the Higos 100 – a women's competition that has brought a franchise theme to Somerset for the first time. Bespoke playing kit with a series of festivals across the County, with the Final being played at The Cooper Associates County Ground has been a huge success.

The growth of our well-being programmes has again seen significant growth. Together in Sport, in partnership with Reminiscence Learning has seen the development of a weekly dementia support group for individuals on their journey and carers. The group provides a safe space for carers to meet and talk and for others to get active with a variety of fun sporting activities. Walking Cricket is now in its second year, with six hubs across the County. The initiative caters for nearly 100 participants and has contributed to improved physical and mental well-being for older adults. A programme that brings people together through cricket has been Walkers & Talkers. This monthly event enables people to meet, visit the Somerset Cricket Museum, exercise through walking and listen to some wonderful guest speakers such as Vic Marks, Andy

Caddick, James Hildreth and many more.

The work across our diverse communities has been incredibly special and hugely rewarding this year. The Maqbul project has supported displaced adults within both North Pertherton and Weston-super-Mare to take part in and engage with cricket across the county. With regular coaching, fixtures, an Eid celebration at CACG and the opportunity to watch a Vitality Blast T20 Blast fixture, the programme has been great at helping to integrate communities. A programme that has been a multi-agency approach with key local partners has set a great foundation for further work.

We have been incredibly fortunate to gain the support of a number of local, regional and national commercial partners. These partnerships have allowed us to

deliver more and further amplify opportunities for our communities. The collaborative and close relationship with Somerset County Cricket Club, is one of the best examples in the Country and we continue to work at both a strategic and operational level to ensure we maximise the opportunities that are presented.

We now look forward and plan for 2024. We will continue to ensure that our local cricket clubs sit at the top of our priority list, but we also strive to continue to enhance our reputation that provides a robust foundation for local partners to consider us a partner of choice to support our mutual outcomes and ambitions.

**SOMERSET CRICKET
FOUNDATION**

SUPPORTED BY:

Blagdon Cricket Club

Is proud to support Charlie Ward and Robert Patch for the forthcoming Somerset U15 Tour to Sri Lanka.

We wish them and the othering touring players good luck on a successful tour.

www.blagdoncricketclub.com

Blagdon Cricket Club is a friendly club set in beautiful surroundings in the Mendip Hills with excellent modern facilities and a focus on youth development.

Taunton School is proud to include former England cricketer Marcus Trescothick (MBE/OBE) as a valued member of it's coaching team.

A CULTURE OF AMBITION CRICKET AT TAUNTON SCHOOL

Facilities including:

- » 26 county players including 4 Somerset Academy/Western Storm players
- » 12 grass net pitches
- » 9 artificial nets including new fully astroturf 6 lane area
- » 7 indoor lanes in sports hall which is suitable for hard-ball indoor games
- » 3 bowling machines, including a Merlyn
- » 6 main squares including the picturesque 'Front' ground and additional pitches for soft-ball matches
- » Programme run by Pete Sanderson, ex Somerset 1st XI coach and Marcus Trescothick (MBE, OBE.), both ECB Level 4 coaches assisted by Dave Roberts, preesent Somerset Youth Coach and ECB Level 3
